FOLLOW-UP INSPECTION DATE	ITEMS REQUIRED COMPLETED BY REINSPECTION DATE

Narrative:

1. Per discussion no one under the age of 18 maybe tattooed unless the following statute would apply:

Wisconsin State Statutes

948.70 Tattooing of children. (1) In this section:

(a) "Physician" has the meaning given in s. 448.01 (5).

(b) "Tattoo" means to insert pigment under the surface of the skin of a person, by pricking with a needle or otherwise, so as to produce an indelible mark or figure through the skin.

(2) Subject to sub. (3), any person who tattoos or offers to tattoo a child is subject to a Class D forfeiture.

(3) Subsection (2) does not prohibit a physician from tattooing or offering to tattoo a child in the course of his or her professional practice.

Documentation should be maintained regarding the medical need/ reason and documentation of signed consent of the parent. This would require documentation accompanying from the physician.

No occasions of minors being tattooed for medical reasons were noted, information is provided only to cite required additional documentation that would be required.

No violations noted during this inspection.

Excellent inspection area very clean and orderly.
